VHF 2025 Opening Ceremony

A Fully Attended Opening Ceremony

Hardware Fair Vietnam 2025 is officially promoted by Singapore-based Uninet Exhibition Pte. Ltd., co-organized by Han Viet MICE EIMS Co., Ltd. Hardware Fair Vietnam 2025 is endorsed by Ministry of Science and Technology, supported by State Agency for Technology Innovation--SATI, Innovation Support Center--ISC, Vietnam Automation Association--VAA, Binh Duong Construction Association--BDCA.

Mr. Pham The Dung, Deputy Director of Department of Innovation, Ministry of Science and Technology and Mr. Le Viet Binh, Deputy Chief of Office of the Ministry of Agriculture and Environment attended the event and delivered speeches. Deputies from the Ministry of Science and Technology, the HCM City Business Support and Development Center and other political and business representatives all attended the event.

Accurate B2B match-making

Hardware Fair Vietnam 2025 invited local and neighboring ASEAN countries' importers, distributors, and buyers through UNINET System to attend the Fair and conduct B2B match-making on site, it provided exhibitors and buyers with more opportunities for face-to-face negotiation, and promoted in-depth communication and cooperation within the industry.

Fringe Programs coming one after another

A wide spectrum of forums were held on June 4-6. The forums invited industry experts to share practical experiences and industry insights. The topic covered "Innovation in the Hardware Industry", "Technology Supporting Production and Innovation in the Hardware Sector", and "AI security monitoring solutions and smart solar power for HOME".

These forums provided exhibitors with valuable business insights and cooperation opportunities, and promoted the success of both parties in the global market.

Gathering professional buyers from around the world

Hardware Fair Vietnam 2025 gathers 13368 professional visitors from 36 countries and regions around the world, including Vietnam, South Korea, USA, China, Japan etc. to negotiate business. The professional buyers attending the Fair were of high quality, and there was a constant stream of importers, large chain stores, and wholesalers on site!

VHF 2025 Exceeded All Expectations

The 2025 Vietnam International Hardware Fair was a complete success and has become a catalyst for growth and opportunities in the global homewares and gifts industry!
